

THIS IS BEYOND

NEW CX™ SAFETY EYEWEAR

CX: THINK SPORTY

INTRODUCING CX SAFETY EYEWEAR. The model is wearing CX1000 with clear lenses. The CX1000 are shown below with gray lenses. Available in 2 lens colors.

CX™ eyewear has smooth styling and a sport-shaped lens to take the “safety look” out of safety eyewear. But we’ve left all the performance in.

Other performance features include:

- High Impact Polycarbonate Lens
- 6.5 Base Wrap-Around Lens
- Soft Nose Pad
- Universal Fit Temples
- Soft, Comfortable Temple Sleeve

X SERIES. PERFORMANCE BEYOND THE STANDARD.

NEW CX™ SAFETY EYEWEAR

All The Style

Sporty, sleek, contoured, cool. New CX eyewear has the style that workers, both men and women, are looking for. The 6.5 base wrap-around lens is available in clear or gray and accented with frosted brow guard and temples.

All The Comfort

Incredibly lightweight, CX eyewear features a soft, comfortable nose pad. The universal-fit temples gently hug the head. Plus, a soft temple sleeve provides added comfort and grip.

All The Vision

The lens is seamless—absolutely clear—with nothing to get in the way of the viewing range. Even the nose pad is clear. This see-it-all construction gives wearers excellent vision both frontal and peripheral.

All The Performance

The impact resistant polycarbonate lens provides 99.9% UV protection. CX eyewear meets ANSI Z87.1 and CSA Z94.3 safety standards.

Choose from clear or gray lens.

Comfortable temple sleeve.
