

## Introducing Seepro® & Seepro Plus™

### A Clearly Visible Value in Protective Eyewear.

Now available with fixed or adjustable temples!

Exclusive DX™ Super-tough Anti-fog Coating. Seepro eyewear features our proprietary DX™ anti-fog coating, which guards against fogging, scratching, chemical attack and static attraction of abrasive particles. DX coating helps keep vision consistently clear and extends the protective life of eyewear.

Seepro eyewear is a pleasure to wear, with ultra-lightweight construction and contoured temples that gently hug the head for exceptional comfort.

**Seepro® &  
Seepro Plus™**

# Seepro & Seepro Plus

## Quality Design & Construction

A tough....Integral sideshields, brow and nose bridge - one piece construction for excellent comfort, strength and stability.

Choice of Lens and Temple Colors. Optional Imprinting, Too. Choose from three work-specific lenses and three temple colors. Sideshields may also be imprinted with your company's name, logo or personal safety message.

## Great Value with Anti-Fog Coating.

Seepro gives you anti-fog coated lenses, more features and better quality than the competition -- at very competitive prices.

Meets the requirements of ANSI Z87.1 and CAN/CSA-Z94.3.
